Groceries, Prescription and Other Essential Supplies
Pickup and Delivery
General Instructions from Rapp at Home
As of April 1, 2020*

*NOTE: We have attempted to reflect accurately information available to Rapp at Home as of April 1, 2020. However, this is intended as general information ONLY and Rapp at Home cannot in any way guarantee the accuracy of this information. Contact the store in question to find out specific information as to their ordering and other guidelines and requirements.

Rapp at Home volunteers are continuing our service to members of pick-up and delivery of groceries, prescriptions and medical supplies, pet food and other essential items.

For the present time we are also expanding this service to other members of the community in need, as we are able.

Thank you to our volunteers for their generous assistance to our whole community during this challenging time.

How it Works
Below is a list of local grocery stores which allow online ordering of groceries. Many will also allow ordering prescriptions by phone.

These stores offer curbside pickup for those concerned about shopping in a public setting.

You can make these curbside pickups, or you can call Rapp at Home and one of our volunteers will pick up your groceries or prescriptions and deliver them to your door.

The volunteer will call you to let you know when they will arrive at your home. They will leave the items on your doorstep and get back in their car. There will be no personal contact between you and the volunteer.

Unless you have made other arrangements with the driver, they will wait for you to retrieve your parcels.

Please call our office at 540-937-4663 as soon as you place your order, as it may take time to find a volunteer who can do your delivery. If there is no one in the office, please leave a message as we are monitoring our messages.

How to Place Your Grocery/Prescription Orders
Most of our larger local grocery stores allow you to order and pay for your groceries and pick them up at a pre-assigned day and time. Most stores require that these orders be placed online, and that you pay online with a credit card. Some allow payment at curbside.

The procedures for each store differ somewhat. The attached sheet provides information which is current to the best of our abilities. Please contact the store directly for additional or updated information as it will likely change frequently.
If you don’t have a computer, you can ask a friend or family member to enter your order online. If this isn’t possible, call the Rapp at Home office and we’ll help you place your order. A few of our local Rappahannock stores allow for orders by phone.

Many of the large grocery stores also have a pharmacy. Most require you to call their pharmacy directly for prescriptions. Some allow curbside pickup of prescriptions but many do not. Some also allow for mailing of certain prescriptions.

If you have any questions about how to order, please call the store.

Please note that these days you may need to order 3 – 5 days in advance for pick-up. And at Rapp at Home we will need that time to arrange for a volunteer pick-up person, so give us a call right after you place your order at 540-937-4663.

Pickup and Delivery of Food Pantry Items
Rapp at Home can also pick up and deliver food from the Food Pantry for you. Call the Rapp at Home office for help with this.

Additional Information on Pharmacies
As noted, some of these grocery stores also have pharmacies. However, many of you order your prescriptions from drug stores such as CVS.

SEE the similar list we have provided for local pharmacies.
Grocery Stores for Rapp at Home Pick-Up and Delivery
Information accurate as of 4/1/2020*

*NOTE: We have attempted to reflect accurately information available to Rapp at Home as of April 1, 2020. However, this is intended as general information ONLY and Rapp at Home cannot in any way guarantee the accuracy of this information. Contact the store in question to find out specific information as to their ordering and other guidelines and requirements.

Information is changing all the time and this list may not remain current. We recommend that you contact the store for any updates.

NOTE: Please contact Rapp at Home immediately after placing your order. It may take a couple of days to locate a volunteer who can pick it up for you.

*Local Rappahannock restaurants are included on this list. Where volunteers are available, we may be able to arrange for pickup and delivery from Rappahannock restaurants (usually when a volunteer is already doing another delivery/pickup).
